

Trendex, Your Partner For Success

TRENDEX SOFTWARE, ADDRESSING THE NEEDS OF INDEPENDANT WELDING SUPPLY DISTRIBUTORS SINCE 1984.

- Owner/President involved in the Welding Industry since 1981
- Small organization giving personalized service
- Proven system installed in small & medium sized welding distributors
- Simple, easy to use, completely integrated system
- Cylinder balances, Accounts Receivables, Sales and General Ledger updated daily.
- Inventory updated by each transaction, letting you know when to order goods, how many, at what cost and from which supplier.
- Orders are automatically priced at time of entry.
- Look up, re-print or fax/email invoices from history.
- Verify a customer's credit status at each order.
- Automatically adjust selling prices to maintain your profit margin each time your cost increases, while placing a Purchase Order
- On-site training & user manuals
- 24/7 Support provided by knowledgeable staff.
- Upgrades installed each year, therefore, you never outgrow the software.
- **Extremely Quick Return on Investment**
